Terms: We agree to the terms that in order to ship test kits to our practice/facility, payment in full must be received prior to shipping. We understand and agree that if product is not on hand on the date of receipt of an order, we will be charged 70% of the Total Due amount in order to keep our spot to be next in line for receiving test kits as soon as they arrive; and when they arrive, we will be charged the remaining 30% of the Total Due amount - then kits will be shipped to us within two business days.

*Sales tax must now be paid based on local sales tax rate due to the Wayfair Ruling
